

2010 ST. AGNES AUCTION – “VIVA LAS VEGAS” CLASS CROSS, FRAME AND DIGITAL SCRAPBOOK GUIDELINES

Although these projects are not as elaborate as the Class Project, they are just as important and have been an Auction staple for many years. This year, rather than a Class Photo Pillow, we have decided to keep up with the times and change it to a Class Digital Scrapbook. We are excited about this change as we think this will be a popular and sentimental Auction item. It will be up to each Volunteer to find a way to cover the costs of these projects. Please note that the person who is in charge of either the cross, frame or scrapbook, may use the cost of making the project toward their Family Donation. The Auction Project Family Donation Form must be submitted to the Auction Chairs by the Family Donation deadline. This information and applicable forms are available on the school website, under “School Info/Auction” or www.stagnesconcord.com/schoolinfo_auction.html

Below are brief descriptions of the guidelines for each item:

Class Cross:

The Class Cross Volunteer is responsible for overseeing that their respective class has some type of cross to be auctioned in the Silent Auction. Over the years this is one of our most popular Auction items and we have had many beautiful and creative ideas. The Class Cross Volunteer is also responsible for ensuring that the Cross is delivered to Carondelet on Friday, March 26, 2010 between the hours of 4 p.m. and 7 p.m. Also, any item necessary to display the Cross must be brought as well, e.g. easel, stand, etc.

Class Frame:

The Class Frame Volunteer is responsible for making a Frame that will hold a class photo of all students in that class. It will be the responsibility of the Class Frame Volunteer to coordinate taking the photo of the class and developing the photo which must be about 8 x 10. Please provide your Classroom Volunteer lead with several dates and times you wish to have the photo shoot, and they will coordinate with the teachers to confirm. The students will be allowed to have “free dress” on the day of the event. The Classroom Volunteer will coordinate with the Room Parents to announce the date for the photo shoot and free dress.

Digital Scrapbook:

This year we are changing things up a bit and have decided to have each class make a digital scrapbook rather than a photo pillow. The Class Digital Scrapbook Volunteer will be responsible for collecting photos of the various classroom activities and events throughout the year, putting them into a digital scrapbook format and getting the digital scrapbook printed. It will be up to the Class Digital Scrapbook Coordinator to find a way to cover the cost of the book.

Questions regarding the Class Cross, Frame and Digital Scrapbook can be directed to the Classroom Cross Frame Scrapbook Coordinator (all classes), Bonnie Taylor at bburnett@ortc.com or call 925-673-3095.
