

Pacific Chess Academy

Starts Winter 2010 Semester!

How It Works. *Our lessons are an after school program. Each lesson lasts 60 minutes and consists of instructions, analysis and tournament games during which students play each other. Our lessons are fun and easy to follow, and include individual written instructions to practice at home. Students need to be picked up by their parents or guardians after chess classes or accompanied to other after school programs.*

The 8-session semester costs \$96. We provide our students with necessary chess equipment (board, pieces, and demonstration tools). Students are divided into groups based on chess knowledge: Beginners, Intermediate, and Advanced. We also provide 50% sibling discounts and partial scholarships.

About Us. *We are experienced chess players and enthusiasts as well as professional teachers. We would be happy to answer your questions about our program!*
