

How do I connect to the **St. Agnes School** website?

To access website: Type in www.stagnesconcord.com in the address bar of the internet browser.

To access pdf file links (e.g. calendar, bible bullets, family handbook, Wheel a Thon forms): You need to make sure that you have the free Adobe Reader installed on your computer. Here is how you do that:

Go to www.adobe.com/downloads. You will see a link to download Adobe Reader. You will follow the instructions to download the free Adobe Reader. This is the program you need to open the files. It is the same program that was needed to open the files on our old website.

If you would like picture instructions on installing Adobe Reader, please pick them up from the office.

Good luck and thanks for your patience! This is an evolving process, and we will adjust the website to meet your needs!
