

Using Lexile Measures From the STAR Assessment to Match Readers with Texts

- Log-on to : <http://www.lexile.com>
- Find the Right Book for Your Child's Reading Level
 - Enter Lexile Measure from your child's Star Reading "Student Diagnostic Report". Their number is located at the very bottom of the page on the left side.
- Then scroll down to "FIND JUST RIGHT BOOKS" then click
- Enter the Lexile Level into the boxes titled "LEXILE RANGE" and click "Submit" button.
- Select your child's interests / categories & find books they'd like to read. Scroll down, then click on the green "Submit" button.
- Books within the Lexile Measure you entered are listed. You can sort & view by Lexile Measure, Book Popularity, Title, Page Count, or Author.
- You may add a book to a reading list by clicking on "Add to My Reading List".
- You may view books in the reading list by clicking on "My Reading List".
