WHAT IS THE PURPOSE

Wheel/Walk-A-Thon is a fundraiser that Saint Agnes puts on to raise money for preschool student's in classroom field trips. This year, due to Covid-19, in classroom field trips have been put on hold. The teachers have a wish list of items that the classroom needs and the wheel-a-thon funds will be going towards this wish list.

WHO BENEFITS

The STUDENTS of St. Agnes Preschool benefit directly from the funds they raise.

HOW DO WE CONTRIBUTE

Students are encouraged to seek contributions for the amount of time they stay active during the wheel/walk-a-thon. Flat donations or pledge by the minute work best. Contributors promise to make a tax-deductible donation which the students will collect after the wheel/walk-a-thon. Be sure to check with your workplace since many offer matching contributions!

TRACE YOUR ACTIVITY

Use your smart phone, fitbit, apple watch, whatever you have available to track your time and distance. Make sure you do not go over the allotted time limit. This year you can use a bike, scooter, skates, or even just your feet. Make sure when turning in your time/distance you are also including if you rode a bike, scooter, or walked.

Please send a screen shot of your activity tracker to lsciacqua@cndo.org
