

ST. AGNES SCHOOL

RE-REGISTRATION

Dear Parents:

March is now upon us and marks the time we begin planning for next year. New students have been tested and families are anxiously waiting to hear if there are any openings in our school. We are now asking for your commitment as well. The rollout of the vaccine is exciting news and is an answer to our prayers. While we know the situation is fluid, it is our intention to have students on campus without remote learning for the 2021-2022 school year. We continue to monitor both state and county guidelines and will keep you informed if any changes are needed in our plans. We look forward to having you next year! **Please return this form by FRIDAY, MARCH 5TH.**
