

Principal's Thoughts

Welcome back, I hope you were able to create some quality family time this past week! While vacation might be over, the Easter season which lasts for 50 days has barely begun. This most important time of all liturgical seasons, began on Easter Sunday and will conclude with Pentecost. The Easter Season brings great blessings of God's promise of his love and our salvation. The liturgical color of this time is white symbolizing joy, triumph and the glory of Jesus overcoming death in His resurrection. The Alleluia returns to our masses and each Sunday we are blessed with Holy water to remind us of our Baptism and commitment to our faith. Pope Francis reminds us: "Christ is risen! Christ is alive and journeys with us!" Let us be ever mindful that we are not alone; God is patiently waiting for us to be in relationship with Him and trust in Him.

It's hard to believe we have just 7 weeks left until another school year comes to an end. There is so much to do and so little time! Please help us help your children. The third trimester can be tough as the weather becomes warmer, spring fever strikes and the great outdoors beckons. These "distractions" can make it difficult to focus on curriculum and homework but there are many concepts the children still need to learn. Please encourage your children to stay focused and committed to learning the skills necessary so they can be successful next year. They need plenty of rest in order to concentrate. For many, especially those who suffer from allergies, this will be difficult. Challenge your children to make good choices: taking pride in their work and treating others with respect. They have all matured and grown and we want the year to end with everyone feeling successful.

HE IS RISEN
