## KIMOCHIS

The children are embracing their kimochis (feelings). We continue to practice the important keys to communicate with one another. Moving forward we will focus on each feeling.

Each feeling is accompanied by a kotowaza, a Japanese proverb or saying. These sayings remind children and adults how to handle emotional moments in positive ways.

## Unofficial Parent/Teacher Conference

I am available after school to discuss your child's progress and ideas to keep the learning momentum moving forward during the summer months. Let me know if you would like to schedule a time to talk via zoom or in person. Conferences are available the week of May 16<sup>th</sup>. Please no children.

Mrs. Wilkinson (Nolan's mom) sent home an envelope with your child for a PACE project. Please return to the classroom by this Friday, April 29<sup>th</sup>.
