

Principal's Thoughts

As we celebrate the 60th anniversary of the Parish, we are proud of our story and we look forward to having this same celebration for the school in two years. We are forever grateful to the Sisters of St. Joseph of Carondelet who founded not only St. Agnes but most of the catholic schools in our area. We are dedicated to their charism of "*unifying love and serving our neighbor without distinction*," not only through our community outreach and service learning projects but in serving our children of varying abilities. This coming Tuesday we will celebrate the Feast of St. Joseph with a Mass at 1:30pm to recognize his role as the earthly father of Jesus and in honor of our founding Sisters and their love of St. Joseph. Please join us if you are available!
