## Principal's Thoughts

As you know Pope Francis remains in the hospital to rest and receive treatment for pneumonia. The church remains vigilant in prayer for his recovery and we too at St. Agnes continue to pray for him. I offer this prayer for your consideration:

God of wholeness and hope:

Send your Spirit of healing to accompany our shepherd Pope Francis in his illness.

As he endures pain and discomfort, give him strength and peace.

May he experience the continued grace of your mercy.

May your unconditional love comfort him and help him heal.

May his faithful and humble service continue to be a beacon of hope for each of us who continue to serve your kingdom.

I ask this through Your Son, Jesus, the great healer of all.

Amen
