

## Principal's Thoughts

Thank you to all the families who attended Mass and Open House this past Sunday. There were so many people at mass that extra rows of seats had to be added. The classrooms were bustling with energy and the hospitality was welcoming. I'm sure the prospective families were impressed by all of you! Thank you to the PACE social chairs for hosting the refreshment table, it looked amazing!

In your family envelope you will find a letter from our superintendent, Dr. Andrew Currier. This letter provides you with information describing the process to determine the 2026-2027 salary scales for the Diocese of Oakland. As stated in this letter, personnel costs (salaries and benefits) are the most substantial expense in our budget and therefore has a significant impact on our tuition rates. We value our teachers and staff and a full complement of assistants in our classrooms and specialty teachers has become the expectation, all of which comes at a cost.

The St. Agnes School finance committee has met and the budget process has formally begun. We continue to keep our families' expenses in mind as we look at various versions of the budget for the 2026-2027 school. While we do not have the actual tuition rates at this time, you might see up to a 5% increase in tuition rates. We want to be thoughtful but intentional during this process and hope to have these figures to you at the end of February. We welcome any prayers you might send!

## ***Education in Virtue***

**Weekly Virtue: Modesty** (also known as propriety)

**Definition:** Purity of heart in action, especially in regards to dress and speech.

**Prayer:** Dear Jesus, give me a pure heart like that of Your holy Mother! Please increase in me the gift of the fear of the Lord, so that I may never sadden You by the way I dress, act, or speak.

**Looks Like:** Dressing in an appropriate manner.

***Virtues are dispositions and habits that guide your decision making and action steps to the positive. Through virtues, God gives us the grace to live as we should and to be charitable with all mankind.***
